Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 04 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fine day with plenty of sunshine. Feeling rather cold.

Today:
After a cold and crisp start to the morning it will be a fine, dry autumn day with plenty of sunshine, with only small amounts of fair weather cloud. Feeling rather cold in the brisk northerly wind. Maximum temperature 8 deg C (46 deg F).

Tonight:
Staying dry this evening with largely clear skies and only small amounts of cloud. As the brisk wind eases it will turn cold, with a widespread rural frost by morning. Minimum temperature 0 deg C (32 deg F).

Friday:
Friday will be a dry and bright day with variable cloud and some sunny spells. Feeling a little milder than Thursday. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Bright at first Saturday, with wind and rain arriving late in the afternoon. Rain clears Saturday night leaving a brighter, but windy day on Sunday. Dry and bright on Monday.
